ZEN

Client:

Bekinox® Polyester comply with the European norms: EN1149-1, EN 1149-3, EN 1149-5 and EN61340-5-1.

The beneficial features of Bekinox® yarns (ZEN) have been thoroughly investigated at the EMC research centre of the renowned Belgian Prof. Dr. ir. Johan Catrysse, PhD Associated Professor Micas/ESAT KULeuven KHBO – FMEC Laboratory for Global Reliability. In this statement professor Catrysse explains his findings “The results showed that Bekaert Bekinox® yarns reflect 99.99% (40dB) of the electromagnetic radiation in a range of 100mHz – 3 GHZ”.

All plants that produce Bekinox® fibres hold the ISO 9001 certificate.
